2022

The 2022 BCGC Men's Club officers are excited to start planning our events for the upcoming golf season. At the fall banquet we voted for two new board members. Jim Anderson will assume the role of Vice President and the new Secretary will be Dave Beck. We want to thank outgoing President, Bill Smits, and Secretary, Joe Pasqualucci, for their service. I, Tommy Thompson, will be President and the moneyman is still Van.

This past Fall the golf course had some improvements. The bunker and drainage project has been completed. The course's new look will certainly test us all. The bar/restaurant is under new management. It is now the Long Drive Supper Club and they are currently serving food!

After researching numerous computer programs, the BCGC Men's Club board is planning to utilize BlueGolf for the 2022 season. The BlueGolf software will assist us with online payments and registration for Men's Club dues and events. More information to come at the April 21st Spring Meeting! Furthermore, the 2022 membership dues will be \$70, which reflects the software fees along with "cost of doing business" increases.

A few things that will remain the same are as follows:

- Your dues must be paid in full by the first week of league play or you will be in danger of losing your slot.
- Hole-in-One prizes for Thursdays and tournaments will remain at \$50.
- Winner of each flight in the Men's Club Championship tournament will be awarded with a free Men's Club membership for the following year. Congratulations to these 2021 winners! Your 2022 dues are paid for!
 - o John Allen – Championship Flight
 - o Leo Marti – Second Flight
 - o John Jez – Fourth Flight
 - o Jerry Gitlewski – First Flight
 - o Mark Nowak – Third Flight

Please let Van, our Treasurer, know if you have any openings in your scheduled tee time or if you will not be returning as we have additional folks looking to play and later tee times looking to move up. We would like a commitment from your foursome by April 14th.

Please contact any board member with your concerns and ideas to better serve us all.

And as always, support your Pro, Jimmy O!

Hit it where you can hit it again!

Tommy Tee
BCGC Men's Club President

2022 Brown County Men's Club Officers

President: Tom Thompson (920) 819-0700

Secretary: Dave Beck (920) 242-2620

Club Pro: Jim Ostrowski

Email: BCGCMensClub@GMail.com

Vice President: Jim Anderson (920) 660-1108

Treasurer: Van Nguyen (920) 309-0351

Superintendent: Scott Anthes

Jimmy O's Corner

Hello Men's Club Members, I am excited to think that we are almost ready to tee it up here in NE Wisconsin - especially when you consider we get to play the finest course around...

First of all, Thank You for supplying our BC Junior Golf League with golf gloves last year. 36 players had a real good grip on Wednesday mornings. Future superstars at the County! These youngsters get an hour and a half lesson each time before they head out on the GC, where they play 6, 9 or 18 holes.

Your MC Officers have another great slate of Tournaments and other events scheduled - going to be a great year! MC Members are sure to be super excited to play out of our new sand bunkers. Put that on your bucket list - "Get in and get out of 43 bunkers"!

Reminder: All things Men's Club can be found on our website at BrownCountyGC.com. Look at the left side menu for Clubhouse, then click on the Men's Club tab. You'll find all the MC Tourney dates and food events, too!

Next, we sure do appreciate you playing and participating in the Thursday Golf Shop games. This is your chance to win merchandise by skill or luck! We are always looking for different games so if you have one in mind, please let us know! If you enter these games, please remember to putt everything out and turn in your scorecard. If you have any suggestions or comments, please let me know.

Handicap De-activation will be on March 25th. \$29 Handicap fee can be paid for in the Golf Shop.

Reminder that you can pay for your season pass in the Golf Shop.

We have a Taylor Made Demo day scheduled for Thursday, June 9th from 10am till 4pm. We have other Demo days on the calendar as well - email or call for details.

One final note... if your group is lacking a player from time to time on Thursdays, give me a call at the GC. Subs can be found, including Jimmy O the Hacking Golf Pro—Just ask! 920 497 1731

See you soon!

Jimmy O your BCGC Pro

Message from the Superintendent

Men's Club Members,

Welcome to the 2022 golf season! As I write this the weather is turning warmer and things are really starting to melt. I just finished up a walk around the course and I can say things are looking good. This winter we saw a little less snowfall than normal, so we have quite a bit of frost in the ground. Let's hope the warm weather holds on and helps get the frost out of the ground.

As everyone knows in 2021 the Golf Course underwent a complete bunker renovation project. This project was done because all the bunkers were 60 years old and for years just not functioning correctly. You will notice that we took the opportunity to move some bunkers around and eliminate a couple as well. The great thing about these new bunkers, beside the fact that they all have the same amount of sand in them, is that they will drain and not washout. These bunkers have a product called Better Billy Bunker in them. This product will allow them to drain really well. No more mini ponds after a heavy rainfall!

This work was done last fall and the construction company finished up the week before Thanksgiving. I am asking you to please not drive or play off the new sod for a little while. Some of the sod was laid late and needs to knit down before you can play off of it. This will only be for a little while. The pro shop will let you know when it is ok to play from the sod. Play it as ground under repair and take a free drop. You can play from the bunkers. The sand is good to go. When entering and leaving the bunkers please use the low sides of the bunkers. Climbing up and down faces pulls the sand and possibly the sod down. This will help keep the sand clean and the edges intact. The Golf Course also purchased all new rakes for them. PLEASE USE THE RAKE after you hit a shot out of them.

Lastly, we did expand three greens as well. These greens are #2,8,12. We used sod from the nursery we grew last summer for these expansion areas. The expansions are still not down to greens height. We will slowly take them down to greens height during the spring. If all goes well, we should have them down by Memorial Day. In the meantime, you can play on the areas but please do not chip off of them. These expansions will provide us with more pin locations and help spread out the wear and tear these three greens used to see.

Thanks, and have a great season.

Scott Anthes

Long Drive Supper Club

Long Drive Supper Club, the new bar/restaurant at the course, is led by the longtime Executive Chef of the famed Green Bay staple Wally's Spot. Their experienced kitchen provides the beloved Wisconsin supper club experience the Midwest has enjoyed for generations.

Chef Tito delivers the classic dishes you expect, with the addition of southern style specialties inspired by his Louisiana roots. They are certain you will love this modern twist on a Wisconsin staple.
